Thanks so much, we also ran into another problem. The 1<sup>st</sup> and Fig underpass. One side has a rather large and entrenched encampment (West Side) and the East side has enough trash to fill a trash truck. Can we get some help from you guys and sanitation in cleaning this incredible mess? We can pick a day to address the area that works for all.

Could I also get your cell#? I was sure I had it but I cant seem to find it.
